How to Earn Shares In the Executive Leadership Pools:

Once you qualify for the Executive Leadership Pools there are two key areas you need to know!

1. What's my 4PET (4-Level Personally-Enrolled Team)?

AN EXAMPLE OF A TYPICAL LEADER

LEVEL	TEAM MEMBER
First Level	Sam & Barb
Second Level	TJ & Mary
Third Level	Tom
Fourth Level	Suzy

You enrol Sam and Barb. Sam enrolls TJ and Mary. Mary enrolls Tom and Tom enrolls Suzy.

As a leader, your 4PET may already be large. Refer to your Back Office Reports for details about your Personally-Enrolled Team.

2. How do I earn shares in the Executive Leadership Pool?

AN EXAMPLE OF WEEKLY NET CYCLE GROWTH

First, you need to know your benchmark or your 13 week average cycles. This can be found in your Associate Back Office. In this example it's 85 cycles. To earn shares in the pool, your 4PET needs to exceed your 85-cycle benchmark.

BENCHMARK
(13 week average of your cycles)

85

Week	Week Ending	4PET Cycles	Benchmark	Net Cycle Growth
1	31/1/2016	100	85	15
2	7/2/2016	120	85	35
3	14/2/2016	72	85	(-13) DOES NOT QUALIFY
4	21/2/2016	150	85	65
Monthly Net Cycle Growth:				102

Once you have your Monthly Net Cycle Growth, determine how many weeks you qualified in the Executive Leadership Pools.

Using the example from above, assume you qualified to participate in the pool 3 of the 4 weeks that month. The week ending 14/2/2016 your Active Rank dropped down to Director. Any weeks you do not qualify cannot be counted toward your Qualified Net Cycle Growth. That means you have 102 month net cycle growth/4 weeks in the month x 3 week qualified= 76.5 Qualified Net Cycle Growth.

As long as you have at least 10 paid cycles of Personal Monthly Net Cycle Growth in the 2-3 Star Pool and 20 Personal Monthly Net Cycle Growth in 4-6 Star Pool for the month, you will be paid 77 shares of the Executive Leadership Pool for that month.

QUALIFIED NET CYCLE GROWTH (QNCG)

$$\frac{102 \text{ Monthly Net Cycle Growth}}{4 \text{ Weeks}} \times 3 \text{ Weeks Qualified} = 76.5 \Rightarrow 77$$

Your Share Values Chart

77QNCG x \$15 = \$1155 BONUS

	2-3 POOL	4-6 POOL	7+ POOL
January	\$15	\$18	\$30
February	\$15	\$18	\$30
March	\$15	\$18	\$30

Frequently Asked Questions

2 Star and Above Golden Circle Leadership Pool

What are the criteria for participating in the Pool?

1. The Pool is open to Australia, New Zealand, the US, Canada and Puerto Rico Associates only.
2. You must be on Autoship.
3. You must be a Paid-As Executive each day of the week for two commission weeks in the month.
4. You must be a Paid-As 2 Star Golden Circle or higher and cycle 20 or more times for the same two weeks that you are a Paid-As Executive.
5. You must grow your Personal Team Bonus Cycles by at least 10 for the 2-3 Star Pool and 20 for the 4-6, 7+ Star pools during the month to qualify.

How will the Pool be paid out?

1. We calculate paid cycles four levels deep in your Personally-Enrolled Team (4PET) and average these cycles over your previous 13 paid weeks to establish your Net Cycle Benchmark. For example, your Net Cycle Benchmark for the month of January would be your 4PET's average cycles for the 13 paid weeks prior to January.
2. Each week we'll take the difference of your 4PET's paid cycles and your Net Cycle Benchmark. This is your Weekly Net Cycle Growth.
3. We add your Weekly Net Cycle Growth for each week in the Reporting Month to determine your Monthly Net Cycle Growth.
4. This value will be divided by the number of weeks in the Reporting Month then multiplied by your number of qualifying weeks in the month to get your Qualified Net Cycle Growth.
5. Your share of the pool will be determined by your Net Cycle Growth multiplied by the set share value.
6. Isagenix will double or triple qualifying members payouts in the 2-3 Star Pool for the first 3 consecutive months of participation in the 2-3 Pools.

Frequently Asked Questions

2 Star and Above Golden Circle Leadership Pool

How is cumulative Net Team Bonus Cycle Growth calculated?

We calculate your cumulative Net Team Bonus Cycle Growth by adding paid cycles four levels deep on your Personally-Enrolled Team. All Active Associates in your 4PET will be included, regardless of country of residence. The more Active Associates you recruit and retain, the more you could earn! (Non-renewed Associates will have no effect on your earning potential in the Leadership Pools.)

What are the five Pools?

The Pools have been established based on rank; Directors, Executives, 2-3 Star Golden Circles, 4-6 Star Golden Circles and 7+ Star Golden Circles.

How do I know which Pool I can participate in?

To participate in the 2+ Star Pool, you must be Paid-As Executive 2 Star Golden Circle or higher and cycle 20 or more times each week for a minimum of two weeks during the Reporting Month and be a Paid-As Executive each day of those two weeks — this is considered a Qualifying Month. The two weeks needed to qualify can be any two weeks during the month. If you are a 2-3 Star Golden Circle Executive for two weeks, you will be able to participate in the 2-3 Pool (Example 1). If you are a 4-6 Star Golden Circle Executive for two weeks in a month, you will be able to participate in the 4-6 Pool (Example 2). If you are a 7+ Star or higher Golden Circle Executive you must have a minimum of 200 cycles per week.

Can Associates with a Platinum position participate?

- Only the most recent re-entry business centre will participate in the Executive Leadership Pools.
- Personal share growth will be measured only on your latest re-entry position.
- The Pool you participate in will be dictated by the qualification and cycles of your latest re-entry position only.

Leaders Advancing to Platinum after January 26, 2015:

- You will have a 90-day transition period (beginning when you achieve 250 cycles or six months after opening your re-entry).
- Each re-entry position will work its way through the Executive Leadership Pools just like a primary business centre for Director, Executive and above statuses.

Leaders who have Platinum Businesses within their 4PET

For those within your 4PET that achieve Platinum status after 26 January 2015:

- You will receive shares calculated from all positions for a 90-day transition period beginning when the Platinum Leader achieves 250 cycles or six months after opening their re-entry business centre.
- After the 90-day transition period, cycle growth from Platinum leaders will be calculated only from his or her most recent re-entry business centre.

How do I Double or Triple my Executive Leadership Bonus in the 2-3 Star Pools?

Isagenix will double or triple qualifying Associates Executive Leadership Pools payout for their first 3 consecutive months of participation in the 2-3 Star Pools.

- If a member's Personal Team Bonus Cycle Growth for the 2-3 Star Pool in a given month is 15-20 cycles, Isagenix will double their 2-3 Star Pool payout for that month. Maximum bonus payout is \$5,000.
- If a member's Personal Team Bonus Cycle Growth for the 2-3 Star Pool in a given month is 21+ cycles or greater, Isagenix will triple their 2-3 Star Pool payout for that month. Maximum bonus payout is \$10,000.

Example: Jane received \$1,000 earnings in the Executive Leadership Pools for the month of September in the 2-3 Star Pools, and she had 25 cycles of Personal Team Bonus Cycle Growth. Since this is Jane's first consecutive month participating in the 2-3 Pool Jane will be able to triple her shares.

If share values are published in advance, how does Isagenix know how many shares will be earned/how much the payout will be?

Isagenix has used advanced modelling and prior year experience to approximate the number of shares that will be earned each month. While the exact payout each month is not known, we are confident we can estimate the payout over a 12 month period.
