1 COMMISSION WEEK

\* Rank Advancement Bonuses, Consultant Bonuses and Double Product Introductory Bonuses are calculated in USD and then paid in local currency. Isagenix currently uses a conversion rate of USD \$1.00 to AUD \$1.11. Product Introductory Bonuses are paid in local currency. Open to all Associates, regardless of rank. This promotion is available in Australia and New Zealand only and ends 21 August 2016. New Associates must join with Autoship and order a qualifying Pak of 100 BV or more at the time of initial enrolment. Associates must be enrolled in the same commission week to qualify. Once you reach your second new Associate in one commission week who signs up on Autoship and purchases a qualifying Pak, all new Associates that same commission week will count towards the Double PIBs (including the first two new Associates during that commission week). If a new Associate purchases more than one qualifying Pak, the Double PIB will only count on one Pak. Limit one Double PIB per new Associate enrolled.

† A weekly Compensation Period begins at midnight Monday 12:00am (New York Eastern Time) and runs through the following Sunday at 11:59pm. Please note that Isagenix reserves the right to adjust the Foreign Exchange Policy rate at any time.
