1 COMMISSION WEEK

\* Product Introductory Bonuses are paid in local currency. Double Product Introduction Bonuses are paid and shown in USD and subject to the Isagenix Foreign Exchange Policy. Please note that Isagenix reserves the right to adjust the Foreign Exchange Policy rate at any time.

Open to all Associates, regardless of rank. This promotion is available in Australia and New Zealand only and ends 15 August 2017. New Associates must join with Autoship and order a qualifying Pak of 100 BV or more at the time of initial enrolment. Associates must join in the same commission week to qualify. Once you reach your second new Associate in one commission week who signs up for Autoship and purchases a qualifying Pak, all new Associates that same commission week will count towards the Double PIBs (including the first two new Associates during that commission week). If a new Associate purchases more than one qualifying Pak, the Double PIB will only count on one Pak. Limit one Double PIB per new Associate.

† A weekly Compensation Period begins Monday 12:00am (New York Eastern Time) and runs through the following Sunday at 11:59pm.
