The specific market values are calculated using the Foreign Exchange Multiplier. To calculate your market's equivalent, simply multiply the US amount shown by the applicable Foreign Exchange Multiplier for your specific market. This value is subject to change every quarter based on published exchange rates and will be valid for the following quarter.

Members include Associates and Customers.

Open to all Associates, regardless of rank. This promotion is available in Australia and New Zealand only and ends 5 August 2018. New Members must order a qualifying pack at the time of joining in the same commission week.

Once you reach your second new Member in a week who purchases a qualifying pack, all new Members that same commission week will qualify for the double PIB (including the first two new Members during that commission week). If a new Member purchases more than one qualifying pack, the double PIB will only count on one pack. Limit one Double PIB per new Member enrolled.

Promotion rules are subject to change by Isagenix at any time without prior notice. Isagenix reserves the right to adjust or deny recognition or other awards to prevent or correct any attempts to circumvent the rules or to manipulate the promotion and to ensure the spirit of the promotion is achieved.

If a Member returns their qualifying pack, BV will be adjusted accordingly.

*A commission week begins at 12:00 am Monday USET (New York Time) and runs through the following Sunday until 11:59 pm USET.
